BELL TENTS

CREATING MEMORABLE OUTDOOR EXPERIENCES FOR YOUR CELEBRATION

End the big day with an unforgettable night under canvas. From cosy couple suites to charming bell tent villages, we're on hand to create a unique outdoor experience that works for you.

NATURAL BEAUTY

Our tents are made from natural cotton canvas, meaning they're warm and cosy on chilly nights but breathable when it's hot out.

They're fully waterproofed and built to withstand the Great British weather. On balmy days, you can even roll up the sides to enjoy the breeze and the view!

Cotton Canvas Bell Tents

We offer two sizes of bell tent. Our 4-metre tents are perfect for couples or groups of up to four. Our 5-metre tents can sleep four to six guests.
